GEO8-CLIMATE-01 - YEAR 8 GEOGRAPHY TEST: WORLD CLIMATE ZONES

Answer all three questions.

QUESTION 1 (4 MARKS)
Describe the weather a place on the equator has through the year.
A correct answer says hot all year and heavy rain most months.

QUESTION 2 (4 MARKS)
Why is the Sahara Desert dry? Give two reasons.
A correct answer says it is far from the sea, and that dry winds blow across it most of the year.

QUESTION 3 (4 MARKS)
What is the difference between weather and climate?
A correct answer says weather is what happens day to day, climate is the pattern over many years.
