

Answer Sheet - Grade 7 English - Reading Response - The Lighthouse Keeper

Q1. Who is the main character, and what does he do every evening?

The main character is Tomas, the lighthouse keeper. Every evening he climbs the steps and lights the lamp.

Q2. Why does Tomas keep the lamp burning even though the big ships no longer come? Use evidence from the passage.

Someone might still need the light. A small fishing boat came out of the dark on a stormy night and used the light to find the safe channel, even though the big ships had stopped coming.

Q3. Write two or three sentences about how Tomas changes by the end of the passage.

At first Tomas is not sure the lamp matters because no big ships come. After he helps the fisherman he is sure it does, and he climbs the steps a little taller than before.
